Day Tripper

Downtown Calgary

With an ever-changing skyline, beautiful displays of public art, and two gorgeous rivers running through it, there is a lot to explore. You'll find so many things to do you'll have to come back, like catching the famous Calgary Stampede each July, exploring the city's pioneer-era Heritage Park, visiting one of the city's most popular family attractions and Canada's largest and most visited zoological park: the Calgary Zoo, seeing views of the whole city from the Calgary tower, and visiting the Studio Bell, Home of the National Music Centre, that houses a number of music-related attractions including the Canadian Music Hall of Fame. After spending a day out in the city, you'll have to refuel at one of the Calgary's most recognized restaurants in Canada: Bar Von Der Fels, Shokunin, Bridgette Bar, Ten Foot Henry, Pigeonhole, Rouge & more!

In Your Neighbourhood

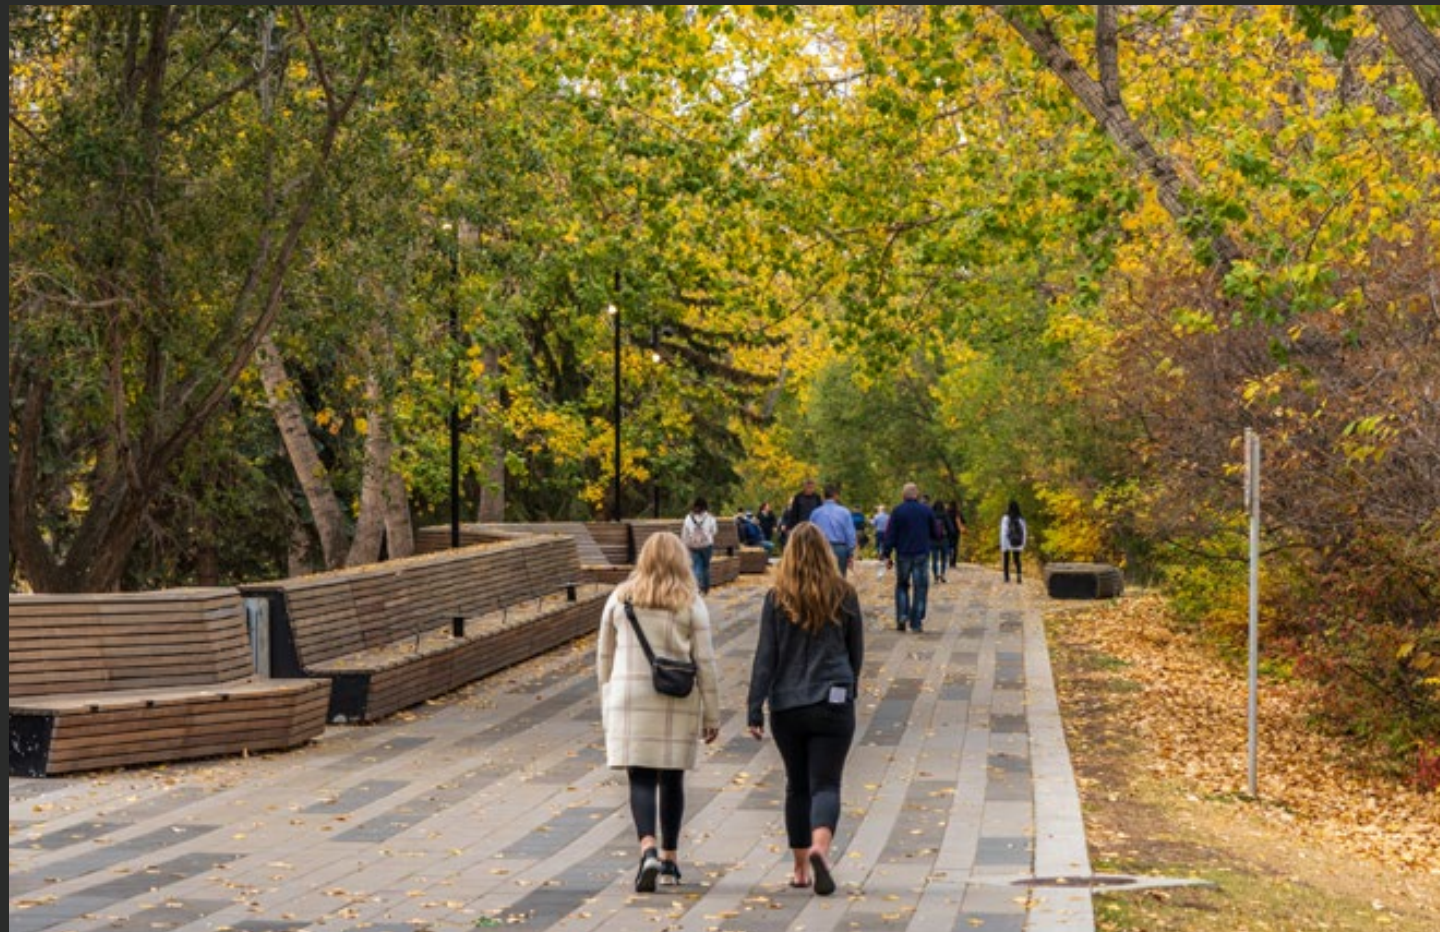

Being on the edge of the city, enjoy uninterrupted and unobstructed views of the prairies. Enjoy a great restaurant down the street, a night walk on one of the expansive pathways while taking in the beautiful night sky. Spend your day at one of the many shopping centers, where you can shop, see a movie (or two) at the Cineplex, get your nails done, or sip a cocktail at one of the multiple pubs & restaurants.

The Mountains

If you fancy some out of the city adventure, try the 4.5 hour Canmore Caving Explorer Tour, go for a hike on one of the hundreds of trails surrounding Banff & Canmore, bring your blanket and pack some chocolate for a romantic picnic in the Rocky Mountains, or go to local shops to buy souvenirs for all your jealous friends!
